Retrospective: FAB Sprint 10

📋 Overview

Date	1 Dec 2023
Team	FAB 5
Participants	@Nikodem Adamski @Naveen Maheswaran @Sean McCrossan @Umama Sumlin Tasnuva @Oluwatobi Omole

💬 Retrospective

Start doing	Stop doing	Keep doing
• Testing	• less time on meeting	• integrations
Being more regular	wasting time on unnecessary stuffs, be focused	Github
Summarise interview feedback, gather key feature list.	putting too much emphasis on ui, d3. more on getting a working product.	continue interviews, keep communicating on jira.
Code stability practices, linting etc	Coding new features	Keep coding unit tests.
